

AUGUST IS

HAIR LOSS AWARENESS MONTH

REVOLVE

Shampoo + Conditioner

is developed to target hair-thinning and shedding at the source. This plant-derived, science-backed formula tackles hair loss without the use of medications or harsh chemicals. It utilizes cold-pressed nutraceutical ingredients to gently widen the hair channel to fully cleanse the follicle of DHT and other factors attributing to hair loss. Formulated for all hair types and conditions. Designed to target hair that is thinning, shedding, aging or for preventative maintenance.
