ZENAGEN REVOLVE RESULTS

Most **REVOLVE** men will see a noticeable difference in the feel and texture of their hair after only a few washes. As with any system, each person's results will vary. Hair loss is such a biologically specific issue that the timing and overall success will look different from person to person. However, the overwhelming majority of people are happy with their results using **REVOLVE** and are lifelong customers.

WHO SHOULD USE:

- Men with signs of pattern baldness or visible hair loss and recession
- Those who have tried other hair loss products and had poor results
- Those looking to switch to a non-chemical or medication-based hair growth system
 All men looking for preventative maintenance before hair loss is visible

If a client decides to stop using the **REVOLVE SYSTEM**, they will not see immediate drastic shedding fallout like they would if they were on a chemical-based system. Their hair will gradually return to their previous state of hair thickness over time.

ZENAGEN'S proprietary compounds target the hair and scalp environment to truly address the underlying causes of hair loss. This scalp and hair optimizing technology has significant benefits for targeting hair loss, thinning and shedding using non-irritating, non-toxic, plant-based ingredients. All ZENAGEN products are cruelty-free, gluten- free, color safe and formulated for all hair and skin types. Our products were developed to be the best way to achieve professional-level hair and scalp benefits from the comfort of your home.

REVOLVE THICKENING CONDITIONER

6.75 fl. oz. | 200 ml

- ✓ Crucial step to see optimal results with the REVOLVE THICKENING SYSTEM because it increases results by around 20%.
- Formulated to be applied directly to the scalp to reduce scalp inflammation and irritation.
- Creates the optimal environment for hair growth by supporting a healthy, hydrated scalp.
- Lightweight conditioner formulated with fine and thinning hair in mind, it does not weigh hair down.
- ✓ Has UVA & UVB protective properties to help keep the scalp skin protected from the sun.

HOW TO USE:

Use the shampoo and conditioner system 3 times per week (or every other day)

- 1. Lather shampoo on the hair and scalp. Pro tip: Use our **REJUVENATING SCALP**MASSAGER for a deep scalp massage and thoroughly work the product into the scalp.
- Leave the shampoo on for five full minutes. It allows the product to reach the follicle level where hair loss is occurring.
- 3. Rinse well and follow with ZENAGEN REVOLVE CONDITIONER.
- 4. Leave the conditioner on for at least 30 seconds then rinse.

ZENAGEN THICKENING HAIR SERUM

Our THICKENING HAIR SERUM encourages hair growth while fighting scalp inflammation and irritation. Featuring our signature anti-hair loss technology, this scalp serum targets active hair loss at the follicle level by giving direct treatment to the areas most affected by hair loss. Clinically proven to promote 78% more hair follicle activation after 3 months with a plant-derived formula that is infused with adaptogens and other natural ingredients.

- Use every day either in the morning or at night for best results
- Can be used on damp or dry hair
- Unique j-shaped dropper provides precise application just where serum is meant to go
- Features cold-pressed ingredients that are in the top 1% of ingredients in the world for quality and potency

HOW TO USE:

- Fill dropper and apply directly to the scalp, focusing on areas of concern and the hair part
- 2. Massage into the scalp using fingers or the ZENAGEN REJUVENATING SCALP MASSAGER
- 3. Let air dry for around 3 minutes and do not rinse

WHO SHOULD USE:

- Anyone with signs of thinning and shedding or visible hair loss
- Those on the REVOLVE SYSTEM who are looking for every day hair growth support
- Anyone who does not wash their hair every day but still wants to see thicker, fuller hair growth
- Anyone who already has a preferred shampoo or conditioner but wants fuller hair growth

ZENAGEN STYLERS

IN FLEXTURE PASTE

NATURAL FINISH, MEDIUM HOLD STYLER

This unique microfiber styling paste gives a flexible texture and hold for any hair style or length. It gives hair tousled texture, definition, and control with a natural finish. It is lightweight on the hair with no greasy residue left behind. Infused with geranium extract and aloe leaf juice, it leaves hair moisturized and touchably soft while giving the structure and shape you expect from a styling paste.

- + Microfiber formula gives gritty texture, flexible hold and piecey separation
- + Long-lasting formula keeps hair in place all day
- + Botanical ingredients invigorate and moisturize the hair
- + Features ZENAGEN's signature green tea scent that leaves hair smelling great

□ DENSIFYING CREAM

THICKENING SMOOTHER + POLISHER

This lightweight conditioning cream builds

volume and density, while ultra-light conditioners increase hydration for smoothness and shine. Use before blow-drying for all day body & shine or on dry hair to tame flyaways and add polish. This cream is a buildable product that helps to reduce blow dry time, as well as add benefits of heat protection, while giving flexibility for all hair types.

- + Separates cuticles to add instant density and prevents hair from looking flat and thin
- + Has a lightweight hold that leaves hair touchable and soft, yet polished and set
- + Light enough finish that it can be used with a hairspray or paste (like our FLEXTURE PASTE) but leaves no greasy, heavy residue
